### **Last weekend of annual Gateway plant sale to benefit Horticulture students**

The final day of Gateway Technical College's annual Horticulture program plant sale will be 9 a.m. to 2 p.m. June 1 at the Pike Creek Horticulture Center on the Kenosha Campus, 3520-30<sup>th</sup> Ave.

The event will feature a big sale on foliage plants, as well as several new garden perennials and native plants. Vegetable transplants – such as heirloom tomatoes and peppers – and several kinds of basil and other herbs also will be sold.

Sales help pay for Horticulture student industry and career exploration trips, scholarships, garden needs and general program needs.

For more information, please contact Kate Field at [fieldk@gtc.edu](mailto:fieldk@gtc.edu).

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
