**Gateway to hold informational workshops  
for those interested in Promise program**

Gateway Technical College will hold workshops to guide interested students through the Gateway Promise Program application process at January and February workshops held on all three of its campuses – Kenosha Campus, Racine Campus and Elkhorn Campus.

Students and parents can ask questions and find out more about the Promise program as well as receive guidance on how to fill out a Financial Aid application as well as admission documents.

The program is an effort fill the gap between financial aid and the cost of tuition and fees so that eligible students can gain access to the life-changing impact of a college degree.

To apply, students must be current high school seniors. More than 300 students are participating in the Gateway Promise program, and several have already graduated and gone on to the career of their dreams.

Students in the program receive financial assistance, but also one-on-one support from the college to help them succeed in their studies and enter their career.
