Quick Start event aimed at making enrollment, college inquiry smooth

Those considering college face a number of questions as they seek to choose a program and enroll, and Gateway Technical College's Quick Start event will help to make that process as smooth as possible.

The event, held 9 a.m. to 5 p.m. Dec. 18 in Student Services on the Kenosha Campus, 3520-30th Ave., will provide participants guidance on how to get started, select classes, apply for financial aid or determine career options.

Experts from Gateway will be on hand to answer any questions potential students may have and help smooth the college inquiry, admission and enrollment process.

Any student who submits an application for admission will have their \$30 application fee waived.

Some specific areas of interest include:

- Learn more about Gateway's career-training programs
- Remember to bring high school transcripts, Accuplacer or ACT scores (or test at the session). Those who do can be admitted to Gateway at the event.
- Take the Accuplacer assessment

- Get assistance applying for financial aid. Go to gtc.edu/quickstart for a list of needed documents
- Learn about the resources available to students through the Gateway Student Support Services.

More information can be found at gtc.edu/quickstart.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
