**Gateway assists continuing
students through Registration Days**

Gateway Technical College will hold its Continuing Student Registration Days event at each of its main campuses, an effort to help continuing students navigate the college registration process by having student and financial aid specialists – as well as academic advisers – on hand to answer questions and offer guidance.

One-on-one assistance will be offered to students who have already taken courses at Gateway and are seeking to continue their education. College staff members will help students:

- Decide which classes they need
- Search and register for classes
- Obtain the answers to any registration and financial aid questions

Registration Days will be held 9 a.m. to 5 p.m. at:

Racine Campus: July 23, Racine Building, Superior Room

Kenosha Campus: July 24, Student Commons

Elkhorn Campus: July 25, North Building, Room N209

Those who are unable to attend, but would still like assistance with registration, can e-mail continuingstudenthelp@gtc.edu.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
