**Gateway releases Spring 2017
dean's list**

The following individuals have earned the honor of being included on the Gateway Technical College Dean's List for the Spring 2017 semester. This award is reserved for those students who completed at least 6 hours of postsecondary course work – not including development/remedial credits – and achieved a grade point average of 3.75 or higher. Dean's list calculations are based on courses that have finished (been graded) by the end of the traditional semester.

This distinction recognizes the determination, dedication and effort necessary to attain this level of academic success. All hometowns are from Wisconsin unless otherwise listed.
