**Want to build a rocket? Build in a Fab Lab? Learn to cook?  
Gateway to offer summer camps for middle-schoolers**

Looking for fun, exciting and educational activities for your middle-schooler during the summer months?

Look no further than Gateway Technical College.

Gateway will hold its popular summer camps again this year with hands-on, fun learning, featuring such activities as building a rocket, designing T-shirts and jewelry, cooking meals and using a 3-D printer to design and build virtually any item.

Camps are open to students who have completed grades 6 through 8, and are held in Gateway facilities in Walworth, Kenosha and Racine counties. Space is limited, so those interested are encouraged to sign up.

To sign up, go to: <https://www.gtc.edu/summer-camps>
