**Gateway Barbering studio to hold
annual veteran's cut-a-thon**

Gateway's Barbering program wants to help those who've served our country.

Barbering students – and program alumni – will provide free haircuts to current members of the military as well as veterans, 10 a.m. to 7 p.m. Nov. 8, at the barbering studio in Room S139 on the Kenosha Campus 3520-30th Ave.

The public is welcome to have their hair cut, too, and donations will be accepted to support the college's Student Veterans of America Club.

To make an appointment, please call (262) 564-2210. Walk-ins will also be accepted and those services will be done on a first-come, first-served basis.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the challenging needs of students, employers and communities.
