**More than 40 employers to be at
Gateway-hosted Walworth County Job Fair**

Gateway Technical College will host the 28th Annual Walworth County Spring Job Fair, an event which offers the opportunity for job seekers to meet with 40 employers and apply for one of more than 500 job openings within those companies.

The fair will be held 10 a.m. to 1 p.m. March 15 in the South Building of Gateway's Elkhorn Campus, 400 County Road H, Elkhorn. The event is put on by Gateway, the Walworth County Job Center and the Walworth County Economic Development Alliance.

The event is a one-stop place for job-seekers in many categories to look for a job. Full-time, part-time, seasonal and temporary positions will be available, and employers from a range of industries such as health care, manufacturing and hospitality will be represented. It is also a place where employers can connect with applicants.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
