**Gateway to offer workshop
addressing plastic pollution**

Gateway Technical College will offer a workshop outlining the plastic pollution problem and what can be done to fix it, 4 p.m. to 5:30 p.m. May 30 at the Center for Sustainable Living on its Kenosha Campus, 3520-30th Ave.

A brief presentation will be followed by several hands-on activities to create plastic-free and waste-free alternatives to address the pollution issue.

Space is limited. Those interested can RSVP with center manager Kallie Johnson at johnsonka@gtc.edu, or call (262) 564-2196.

Gateway Technical College collaborates with communities in Kenosha, Racine and Walworth counties to ensure economic growth and viability by providing education, training, leadership and technological resources to meet the changing needs of students, employers and communities.
