

## Examples of possible sexual harassment

- An instructor insists that a student have sex with him/her in exchange for a good grade. This is harassment regardless of whether the student accedes to the request and irrespective of whether a good grade is promised or a bad grade is threatened.
- A student repeatedly sends sexually oriented jokes around on an email list s/he created, even when asked to stop, causing one recipient to avoid the sender on campus.
- Explicit sexual pictures are displayed in an employee's office or other public location.
- Two supervisors frequently 'rate' several employees' bodies and sex appeal, commenting suggestively in public areas about their clothing and appearance.
- An instructor engages students in her class in discussions about their past sexual experiences, yet the conversation is not in any way germane to the subject matter of the class. She probes for explicit details, and demands that students answer her, though they are clearly uncomfortable and hesitant.
- An ex-girlfriend widely spreads false stories about her sex life with her former boyfriend to the clear discomfort of the boyfriend, turning him into a social pariah on campus.
- Male students take to calling a particular brunette student "Monica" because of her resemblance to Monica Lewinsky. Soon, everyone adopts this nickname for her, and she is the target of relentless remarks about cigars, the president, "sexual relations" and Weight Watchers.
- A student grabbed another student by the hair, then grabbed her breast and put his mouth on it. While this is sexual harassment, it is also a form of sexual violence.
