

Celebrate Earth Day is a community celebration designed to share information and encourage participation in activities that help us live our lives in a more environmentally friendly way.

The event is held on the Kenosha Campus of Gateway Technical College—3520 30th Avenue. The Saturday April 21st event begins with a creek clean up at 9:00 a.m. The Celebrate Earth Day expo and event will run from 10:00 a.m.-2:00 p.m.

Gateway's Celebrate Earth Day provides free display space to non-profit organizations or businesses who sell green products. The display areas are approximately 12 feet in length and 6 feet wide down the hallways of the Campus' Technical building and Service hallway.

We strongly encourage you to plan a booth that offers demonstrations, participative learning opportunities, or environmental/green product/healthy living information that visitors will find useful.

Details about the event will be available soon at www.gtc.edu/earthday.

If you are interested in participating in this year's event, please complete the attached form and return to Jayne Herring at herringj@gtc.edu or mail (3520 30th Avenue, Kenosha, WI 53144).

Set Up:

Set Up for displays to be located in the hallways will be available Friday afternoon/evening from 4:00 p.m. – 5:30 p.m. or Saturday 7:30-9:45 a.m. Please check in with Jayne, at the intersection of the Technical building and the Service hallway when you arrive.

Gateway Technical College - Celebrate Earth Day – Saturday April 21, 2018

VENDOR FORM

Name of organization

Name of contact person

Cell Phone

E-mail
