Holiday Gifting Art and Craft Fair  
Saturday December 5, 2015  
Booth Registration Form  
At Gateway Technical College-Kenosha Campus

Artists, crafters and home-based retail vendors are invited to provide their items to holiday shoppers Saturday December 5, 2015 from 9am-3pm on Gateway Technical College's Kenosha Campus, 3520-30th Avenue. Handmade art and craft items and specialty retail products will be displayed throughout the hallways, filling the vast majority of the campus. This event is in its seventh year and continues to grow in popularity with both vendors and visitors and features over 100 booths.

The event is sponsored as a fundraiser for the Gateway Association for Career and Technical Education (GACTE). This professional organization donates, through the Gateway Foundation, the majority of its proceeds to the Gateway Student Emergency Fund which assists students in meeting short-term financial situations that may, otherwise, have terminated their ability to stay in College...and with a scholarship award.

Booths are located in both rooms and hallways. Most are approximately 12’ in length and 6-1/2 feet deep. Approximately 1/3 of the booths are more square—8 x 9’.

Cost: Booth cost= $45 plus one donated item for raffle. Many auction items may be held for future GACTE fundraising events. The fee is non-refundable after December 1, 2015 rain (or snow) or shine.

Set-up will be on Friday December 4th from 5-7pm and at 6:30 am Saturday the 5th and must be complete by the 9am show opening. Volunteers will be on hand to assist. Some carts will be available for your use.

This is a general map leading to booth check in. You need to check in to that location prior to the show no matter your booth location. The week of the show, vendors will receive a map showing the general area of their booth and the closest door for drop-off.

Gateway’s Kenosha Campus is located at 3520 30th Avenue. It is located just north of Washington Road/Hwy 5/hwy 142. Turn into the campus driveway just north of the stop and go light on 30th Avenue. Drive down to the parking lot (B) and turn left. Drop off is in the area on the map where the red arrow ends within the red oval. Carts will be available and a few volunteers will be on hand to help you unload.

After unloading, parking for vendors will be in the “A” lot.
