A guide to using WebAdvisor – How to Search for Classes

Go to gtc.edu and click the WebAdvisor button at the top of the page.

Click “Search for Classes (Sections)”
The easiest way to search for classes is to **select a term** and type in the **course number** (found on your curriculum sheet).

Click “Submit”

You can also search any combination of the fields available on the search screen (i.e. single course keyword, meeting day/s, or location).

The results screen provides **class information** including:
- Course Number
- Course Title
- Description & Prerequisite Information
- Section Number
- Term Offered and Location
- Available Seats
- Day/s of the Week Class Meets
- Time Class Meets
- Dates Class Meets
- Instructor
- Book Information
- Cost
