

Dear Aviation Professional,

The Wisconsin Airport Management Association would like to offer two scholarship opportunities to students currently enrolled in an aviation degree field who are attending a Wisconsin college or university, a resident of the State of Wisconsin attending a college or university outside the State, or an active duty service member with an entrance point in Wisconsin at the time the award is made.

Scholarship applications can be completed online at www.wiama.org/scholarship.html. Applications including all required materials must be submitted online by **March 15, 2014 at 5 pm.**

Please pass this information on to any interested student, and post this information in the appropriate area.

Thank you for your assistance.

Sincerely,

Charity Speich
Wisconsin Airport Management Association
