

Marketing

Associate of Applied Science
Curriculum Year 2023-24

Business Management with Finance Concentration

Bachelor of Science

Effective Date: September 1, 2023

The purpose of this program to program transfer agreement is to provide a seamless transfer opportunity for learners at Gateway Technical College who desire further education to enter the University of Wisconsin-Parkside. Through the collaborative efforts of faculty, student services, and administration, learners will encounter a clear path to reach their educational goals.

Learners who successfully complete the **Associate of Applied Science in Marketing** at Gateway Technical College and who meet the admission requirements of the University of Wisconsin-Parkside and other conditions specified in this agreement will be admitted to the **Business Management major with a finance concentration** with up to 62 credits toward a **Bachelor of Science** degree.

PROVISIONS OF THE AGREEMENT:

1. **Admission and Eligibility.** It is the learner's responsibility to demonstrate fulfillment of the current admission requirements of UW-Parkside at the time of entry. The agreement is valid for students who started their program after the effective date and have successfully completed all A.A.S. degree requirements in Accounting at Gateway Technical College.
2. **Advising.** UW-Parkside and Gateway Technical College will provide academic advising to Gateway learners inquiring about UW-Parkside programs. Learners will be connected with a UW-Parkside advisor prior to transfer. UW-Parkside and Gateway will share materials, catalogs, and other information to facilitate their understanding of requirements and programs. Gateway will assist the UW-Parkside Admission Office in arranging recruitment events on its campuses.
3. **Marketing.** Any marketing of this agreement will be subject to the prior approval of both parties and will adhere to each institution's standards for the use of its name and logo. Each institution will assume responsibility for appropriate marketing to reach its student population. Each institution may provide a link to this agreement and/or the other institution at its website, with notice to the other party.
4. **Accreditation.** Both parties agree that failure to maintain regional accreditation will be grounds for termination of the agreement. Failure to maintain accreditation required by the specific academic program(s) referenced in this agreement will be grounds for exclusion of that program from the agreement.
5. **Tracking of Use.** If possible, Gateway Technical College will provide UW-Parkside Admissions with the names of students planning to complete the articulation agreement with the intent to transfer to UW-Parkside. This will allow UW-Parkside to plan for the admission, advising and orientation of these transfer students. Gateway also desires to track the use of articulation agreements by students. If possible, UW-Parkside will provide on an annual basis information about who matriculated to UW-Parkside.
6. **Periodic Review.** Gateway Technical College and UW-Parkside will collaboratively review and approve articulation agreements on a three-year cycle, starting September 1, 2026 or earlier if there is substantial program change (e.g. 20 % change in program). Each institution agrees to notify the other of significant curricular or policy changes in a timely manner. Annually, programs will review agreement and notify the respective Provost office of minor program updates.
7. **Cancellation.** Both parties agree to provide at least one-hundred eighty (180) days' advance written notification of their intent to cancel this agreement. Gateway students who apply to UW-Parkside prior to the cancellation date will be permitted to transfer credits under the agreement terms.
8. **Conditions:** Conditions requested by the receiving institution are listed on the following pages. The University of Wisconsin-Parkside and Gateway Technical College have produced this guide as a tool for students. Every effort

is made to maintain accurate information; however, this guide is subject to change. Students should contact the program or college advisor to stay informed of changes, as final responsibility for verifying information rests with the student.
