The goal of the Guaranteed Admission Program is to create a seamless and successful transition for transfer students intending to complete a Bachelor of Arts degree at Carthage College. The Guaranteed Admission Program allows students the opportunity to be simultaneously admitted to both Carthage College and Gateway Technical College.

## **General Guidelines**

Students indicate their intention to participate in the program by filling out this form at the time of their application to Carthage College. This form should be submitted at least one year in advance of the students first semester at Carthage College. Guaranteed admission students are subject to the same admission and degree requirements, as well as the same academic policies governing all other Carthage College and Gateway Technical College students.

## **Student Instructions**

**Step 1:** Meet with your advisor at Gateway Technical College to verify eligibility to apply. You will need your advisors signature on this form to move forward in the process.
