

TRiO Students to attend UW-Whitewater Event

TRiO students will travel to the University of Wisconsin at Whitewater on Friday May 4th for the "Opening Horizons" event. This event is designed for students with disabilities and will give potential students a better understanding of what UWW has to offer them. The day is set up just like a conference. GTC potential graduates interested in their Bachelor's Degree will attend sessions to become familiar with the university.

Strengths Workshop Series

TRiO and HPOP (Health Programs Opportunity Program) have begun collaboration on a series of 4 Strengths based Workshops. These workshops will guide students toward using their strengths to do well academically. The 4 workshops will use activities provided by the Gallup organization's Strengths Quest program to develop students in the following 4 areas:

- ⇒ Study Skills
- ⇒ Time Management
