Register Today for Summer Camp

Keeping Earth Green

Interested in the environment and natural resources? Learn about the earth's resources and your impact on them as you spend time discovering natural resources. Experience geothermal, solar and alternative energy technologies first hand.

July 28-31

8:30 a.m.-11:30 a.m.

Kenosha Campus – Center for Sustainable Living

Fee: \$50

Designs for Hair and Nails

Put your creativity to work and create hair and nail designs using color theory, paints and stencils on mannequins and artificial nails. Learn simple hair-style techniques, nail art and clip in feather extensions for hair.

July 14-17

8:30 a.m.-12:00 p.m.

Racine Campus - Technical Bldg. Room T509

Fee: \$50

Fun with Graphics and 3D

Design, create and produce your own character and personal logo using Blender 3D software. Then use a 3D printer and laser engraver to produce your own unique and fun objects and designs.

July 14-17

8:30 a.m.-12:00 p.m.

SC Johnson iMET Center - FabLab

Fee: \$75

Lets get HAPPY: Healthy and Positively Powerful You!

Get energized as you learn about your body and mind with fun activities including games, exercise and yoga. Find out how to choose the right body fuel to keep you going strong. Plus, learn about how you can help others if you choose a career in health care.

July 7-10

8:30 a.m.- 12:00 p.m.

Burlington Center - Room 100

Fee: \$50

Maker Camp

Use cutting-edge design programs and tools including 3D printers in Gateway's Fab Lab to design and create your own projects. Build and solder your own microphone, design, build and launch rockets, and create and engrave your own design.

June 23-27

8:30 a.m.-12:00 p.m.

SC Johnson iMET Center - FabLab

Fee: \$125

Kids in the Kitchen

You are the cook! Put your culinary skills to work as you make breakfast, lunch and dinner along with various desserts and snacks in Gateway's new Culinary Arts demonstration kitchen.

June 23-26

8:30 a.m.-12:00 p.m.

Racine Campus - Lake Bldg.

Demonstration Kitchen Room L009

Fee: \$50

Creativity with Signed Languages

Find out about various signed languages, cultures and methods of communication. Begin to learn American Sign Language and experience the technology used by deaf and hard of hearing individuals.

June 16-19

8:30 a.m.- 12:00 p.m.

Elkhorn High School

Fee: \$50

June 23-26

8:30 a.m.- 12:00 p.m.

Elkhorn High School

Fee: \$50

Barber Designs

Put your hair design skills to work as you create designs on paper and transfer the design to a mannequin's hair. Learn about basic hair care, create hair styles and create a layout and promotion for your own barber shop.

August 4-7

8:30 a.m.- 12:00 p.m.

Kenosha Campus - Science Bldg. Room S137

Fee: \$50

Youth Power Academy of Finance

Learn to make money work for you and get a head start. Set goals for yourself, explore what careers might interest you and start thinking about where you'd like to go to college. Be inspired by successful local business professionals who will share their tips for success. **Open to students entering grades 8-10.**

July 28-August 8

8:30 a.m.- 12:00 p.m.

Kenosha Campus

Bioscience Bldg. - Room 121

August 11-22

8:30 a.m.-12:00 p.m.

Racine Campus

Racine Bldg. - Superior Room R102

These two camps are free to students eligible for the free and reduced lunch program. Program eligibility paperwork required. Details on the website.

Register today at gtc.edu/summercamps

Camps are open to students who have completed grades 6 through 8.
